UNITED NATIONS CONFERENCE ON INTERNATIONAL
COMMERCIAL ARBITRATION

CONSIDERATION OF THE DRAFT CONVENTION ON THE RECOGNITION AND
ENFORCEMENT OF FOREIGN ARBITRAL AWARDS (ITEM 4 OF THE AGENDA)

Belgium, Czechoslovakia, United Kingdom: additional provision
to be included in the draft Convention

"The term 'arbitral award' covers not only awards made by arbitral bodies appointed for each case but also those made by permanent arbitral bodies to which the parties have voluntarily submitted."

Note: The place at which this provision would be included in the draft Convention was left for a later decision.
